Gentlemen:

We are attorneys licensed to practice law in the state of Nevada and are U.S. residents. We have reviewed the corporations Information and Disclosure Statement, articles, bylaws and other necessary documents. Our opinion herein is based solely upon these documents and representations and cannot be relied upon in the event that such documentation is inaccurate or contains misrepresentations.

OTC Markets is entitled to rely on this opinion in determining whether Cynk Technology Corp. has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

We have been retained by the Company for the purpose of rendering this opinion and related matters. We have been retained solely for the purpose of reviewing the current information supplied by Cynk Technology Corp. We have examined such corporate records and other documents and such questions of law as counsel considered necessary or appropriate for purposes of rendering the opinion. This letter covers Nevada and United States laws. This letter does not rely upon the work of other counsel.

We are allowed to practice before the Securities and Exchange Commission and have not been prohibited from practice thereunder. We have relied on information obtained from public officials, officers of the issuer and other sources and believe that all such sources are reliable as to matters of fact.

We have reviewed Cynk Technology Corp's Information and Disclosure Statement submitted June 11, 2014, the Dec. 31, 2013 Annual Report which included 2012 and 2013 year end financials posted June 11, 2014, the Quarterly Report for the period ended March 31, 2014 posted June 11, 2014, Articles dated May 1, 2008 and Bylaws dated May 6, 2008 posted June 11, 2014.

Cynk Technology Corp's financials as filed on OTC Markets were prepared by Dale Paisley CPA, who has years of experience in the preparation of GAAP financials. The presented financials have not been audited.

Adequate current public information is available concerning the Securities and Cynk Technology Corp. within the meaning of Rule 144(c)(2) under the Securities Act of 1933 (the "Securities Act"). Such information has been posted on the OTC Markets News Service and such information includes all of the information that a broker dealer would be required to obtain from Cynk Technology Corp. to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934, and complies as to form with the OTC Markets Guidelines for Providing Adequate Current Information and has been posted in the OTC Markets News Service.

Cynk Technology Corp.'s transfer agent is Pacific Stock Transfer, 4045 South Spencer Street, Suite 403, Las Vegas, Nevada 89119, (571) 485-9998.

Pacific Stock Transfer is currently registered under the Exchange Act and is an SEC approved transfer agent. We reviewed a certified shareholder list provided by Pacific Stock Transfer to confirm the number of outstanding shares as set forth in the information.

We have personally met with management of Cynk Technology Corp. and its director. Javier Romero is the sole officer and director of the corporation and thus is a promoter. Javier Romero's address is The Matalon, Coney Drive, Suite 400, Belize City, Belize, he holds, 210,000,000 common shares all of which bear a restrictive legend, and he has owned the shares since February 20, 2014 which he purchased from the former sole officer and director. We have reviewed the information as amended as published by Cynk Technology Corp. and have discussed such information with management and the director. We also inquired of such management and director if he or any five percent (5%) shareholder was under any investigation by any federal or state regulatory authority for any violation of federal or states securities laws and to be best of my knowledge none are.

There have been no sales of the Securities by Insiders within the twelve-month period prior to the opinion other than Javier Romero's purchase of the shares held by the former officer and director. Nothing has come to the attention of myself indicating that any of the Insiders is in possession of any material non-public information regarding the Issuer or the Securities that would prohibit any of them from buying or selling the Securities under Rules 10b-5 or 10b5-1 under the Exchange Act.

No person other than OTC Markets is entitled to rely on this opinion but OTC Markets may post this opinion on the OTC Markets News Service for viewing by the public and regulators.

Sincerely,  
HAROLD P. GEWERTER, ESQ., LTD.
