3. **Dividends**

The holders of the Series A Preferred shall be entitled to receive Common Stock dividends when, as, and if declared by the directors of the Company, to be paid in cash or in Market Value of the Company's common stock at the election of the Company. "Market Value", for the purposes of this Certificate of Determination shall mean the average of the bid and ask prices for the common stock of the Company for the five business days preceding the declaration of a dividend by the Board of Directors.

The spin off or any distribution of ownership consisting of any shares of a subsidiary of the Company, as designated as such by the Board of Directors, shall be handled on the basis of treating all issued and outstanding shares of common stock and Series A Preferred on the same basis, that is that each share of each of these two classes shall received the same distribution for each share issued and outstanding in each of the two classes and shall be treated on an equal or identical basis for the purposes set forth in this paragraph.

4. **Conversion**

The Series A Preferred shall have the following conversion rights (the "Conversion Rights"):

- A. Holder's Optional Right to Convert. Each share of Series A Preferred shall be convertible, at the option of the holder(s), on the Conversion Basis in effect at the time of conversion. Such right to convert shall commence as of the Issue Date and shall continue thereafter for a period of ten years, such period ending on the tenth anniversary of the Issue Date. In the event that the holder(s) of the Series A Preferred elect to convert such shares into Common Stock, the holder(s) shall have ten (10) days from the date of such notice in which to tender their shares of Series A Preferred to the Company.
- B. Conversion Basis. Each share of Series A Preferred shall be convertible into that number of shares of the Company's Common Stock, equal in value to Ten Dollars (\$10.00). The board of directors shall approve and make the final determine of the conversion rate or value based upon the average closing prices for the common stock for the five day period preceding the notice of conversion made by the Holder(s).
- C. Mechanics of Conversion. Before any holder of Series A Preferred shall be entitled to convert the same into shares of Common Stock, such holder shall (i) give written notice to the Company, at the office of the Company, that he elects to convert the same and shall state therein the number of shares of Series A Preferred being converted; and (ii) surrender the certificate or certificates therefor, duly endorsed. Thereupon the Company shall have a period of ninety (90) days within which to issue and deliver to such holder of Series A Preferred a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled. The conversion shall be deemed to have been made and the resulting shares of Common Stock shall be deemed to have been issued immediately prior to the close of business on the date of such notice and surrender of the shares of Series A Preferred.
- D. Adjustments to the Conversion Basis.
- (i) Reclassification, Exchange or Substitution. At any time after the Company first issues the Series A Preferred and while any of the shares of Series A Preferred remain outstanding, if the Common Stock issuable upon the conversion of the Series A Preferred shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above, or a reorganization, merger, consolidation, or sale of assets), then and in each such event the holder of each share of Series A Preferred shall have the right thereafter to convert such shares into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification, or other change, by holders of the number of shares of Common Stock into which such shares of Series A Preferred might have been converted immediately prior to such reorganization, reclassification, or change, all subject to further adjustments as provided herein.
- (ii) Reorganization, Mergers, Consolidations or Sales of Assets. At any time after the Company first issues the Series A Preferred and while any of such shares remain

outstanding, if there shall be a capital reorganization of the Common Stock (other than a subdivision, combination, reclassification, or exchange of shares), or a merger or consolidation of the Company with or into another Company, or the sale of all or substantially all of the Company's assets to any other person, then as a part of such reorganization, merger, consolidation, or sale, provision shall be made so that the holders of the Series A Preferred thereafter shall be entitled to receive upon conversion of the Series A Preferred, the number of shares of stock or other securities or property of the Company, or of the successor Company resulting from such merger or consolidation or sale, to which a holder of Series A Preferred deliverable upon conversion would have been entitled on such capital reorganization, merger, consolidation, or sale.

- E. Notices of Record Date. In the event of any reclassification or recapitalization of the capital stock of the Company, any merger or consolidation of the Company, or any transfer of all or substantially all of the assets of the Company to any other Company, entity, or person, or any voluntary or involuntary dissolution, liquidating, or winding up of the Company, the Company shall mail to each holder of Series A Preferred at least 30 days prior to the record date specified therein, a notice specifying the date on which any such reorganization, reclassification, transfer, consolidation, merger, dissolution, liquidation, or winding up is expected to become effective, and the time, if any is to be fixed, as to when the holders of record of Common Stock (or other securities) shall be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such reorganization, reclassification, transfer, consolidation, merger, dissolution, liquidation, or winding up.
- F. Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series A Preferred. In lieu of any fractional shares to which the holder would otherwise be entitled, the Company shall round up to the next whole number the number of shares to be issued to the shareholder as determined in good faith by the Company's directors.
- G. Reservation of Stock Issuable Upon Conversion. At such time as the Company increases its authorized capital resulting in a sufficient number of shares of Common Stock becoming available for the conversion of the Series A Preferred, the Company shall reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series A Preferred, a number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series A Preferred.
- H. Limitations on Conversion. No conversion of any issued shares of Series A Preferred into common stock shall be allowed where the holder's beneficial ownership in Common Stock would exceed 9.9% of the then issued and outstanding shares of common stock as reported by the Company's transfer agent. The Company may request information from the holder of any Series A Preferred shares submitted for conversion as to that shareholder's current ownership of common stock or other securities of the Company.

Liquidation Rights, as described under paragraph 2.C above or a Redemption, as described in paragraph 6, of this Certificate of Designation that is initiated by and approved by the board of directors of the Company is not subject to the 4.9% conversion limitation.

5. **Protective Provisions**

Notwithstanding anything contained herein to the contrary, including but not limited to paragraph 4.D above, so long as any of the Series A Preferred shall be outstanding, the Company shall not without obtaining the approval (by vote or written consent, as provided by law) of the holders of at least fifty one percent (51%) of the total number of shares of Preferred Stock outstanding:

- A. Alter or change the rights, preferences or privileges of the Series A Preferred so as to adversely affect in any manner the conversion basis by which the shares of Series A Preferred are presently converted into shares of Common Stock.
- B. Increase the authorized number of Series A Preferred.
- C. Create any new class of shares having preferences over or being on a parity with the Series A Preferred as to dividends or assets, unless the purpose of creation of such class is, and the proceeds to be derived from the sale and issuance thereof are to be used for, the retirement of all Series A Preferred then outstanding.

6. **Redemption**

Subject to the applicable provisions of Utah law, the Company, at the option of its directors, may at any time or from time to time redeem the whole or any part of the outstanding Series A Preferred. Upon redemption the Company shall pay for each share redeemed the amount of Ten Dollars (\$10.00) per share, payable in cash or common stock of the Company.

At least thirty (30) days previous notice by mail, postage prepaid, shall be given to the holders of record of the Series A Preferred to be redeemed, such notice to be addressed to each such shareholder at the address of such holder appearing on the books of the Company or given by such holder to the Company for the purpose of notice, or if no such address appears or is given, at the place where the principal office of the Company is located. Such notice shall state the date fixed for redemption and shall call upon the holder to surrender to the Company on said date at the place designated in the notice such holder's certificate or certificates representing the shares to be redeemed. On or after the date fixed for redemption and stated in such notice, each holder of Series A Preferred called for redemption shall surrender the certificate evidencing such shares to the Company at the place designated in such notice and shall thereupon be entitled to receive payment of the redemption price. If less than all the shares represented by any such surrendered certificate are redeemed, a new certificate shall be issued representing the unredeemed shares. If such notice of redemption shall have been duly given, and if on the date fixed for redemption funds necessary for the redemption shall be available therefore, notwithstanding that the certificates evidencing any Series A Preferred called for

redemption shall not have been surrendered, the dividends with respect to the shares so called for redemption shall forthwith after such date cease and determine, except only the right of the holders to receive the redemption price without interest upon surrender of their certificates therefore.

If, on or prior to any date fixed for redemption of Series A Preferred, the Company deposits, with any bank or trust company as a trust fund, the number of shares of Common Stock of a sum sufficient to redeem, on the date fixed for redemption thereof, the shares called for redemption, with irrevocable instructions and authority to the bank or trust company to give the notice of redemption thereof (or to complete the giving of such notice if theretofore commenced) and to pay, or deliver, on or after the date fixed for redemption or prior thereto, the redemption price of the shares to their respective holders upon the surrender of their share certificates, then from and after the date of the deposit (although prior to the date fixed for redemption), the shares so called shall be redeemed and any dividends on those shares shall cease to accrue after the date fixed for redemption. The deposit shall constitute full payment of the shares to their holders and from and after the date of the deposit the shares shall no longer be outstanding and the holders thereof shall cease to be shareholders with respect to such shares, and shall have no rights with respect thereto except the right to receive from the bank or trust company payment of the redemption price of the shares without interest, upon the surrender of their certificates therefore. Any interest accrued on any funds so deposited shall be the property of, and paid to, the Company. If the holders of Series A Preferred so called for redemption shall not, at the end of six years from the date fixed for redemption thereof, have claimed any funds so deposited, such bank or trust company shall thereupon pay over to the Company such unclaimed funds, and such bank or trust company shall thereafter be relieved of all responsibility in respect thereof to such holders and such holders shall look only to the Company for payment of the redemption price.

7. **Reissuance**

Share or shares of Series A Preferred acquired by the Company by reason of conversion or otherwise may be reissued as Series A Preferred, and all such shares thereafter shall be returned to the status of unissued shares of Preferred Stock of the Company.

8. **Headings or Subdivisions**

The heading of the various subdivisions hereof are for convenience of reference only and shall not affect the interpretation of any of the provisions hereto.

9. **Severability of Provisions**

If any right, preference or limitation of the Series A Preferred set forth in this resolution (as such resolution may be amended from time to time) is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other rights, preferences and limitations set forth in this resolution (as so amended) which can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall, nevertheless, remain in full force and effect, and no right, preference or limitation herein set forth shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.

10. **Status of Reacquired Stock**

Shares of Series A Preferred which have been issued and reacquired in any manner shall, upon compliance with any applicable provisions of Utah law, have the status of authorized and unissued shares of Preferred Stock and may be redesignated and reissued in any series or class.

IN WITNESS WHEREOF, the undersigned Directors of SACK LUNCH PRODUCTIONS INC., a Utah corporation, did hereby execute this Certificate effective the 18th day of May 2016.
