**Re: EQ Labs, Inc. (EQLB)
Opinion Letter for the Periods Ending December 31, 2015 and March 31, 2016**

Dear Ladies and Gentlemen:

I have been asked by EQ Labs, Inc. ("Issuer"), a Florida Corporation [a non-reporting company trading on the OTC Markets - OTC Pink Current Information] to provide OTC Markets Group, Inc., a letter with respect to the information publicly disclosed by the Issuer and published in the OTC Markets News Service. OTC Markets Group, Inc., is entitled to rely on this letter in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933, as amended (the "Act"). I consent to having this letter posed by the Issuer, and to have it published, accompanying their disclosure in the OTC Markets News Service. I am a U.S. resident and am licensed to practice law in the state of California. I am permitted to practice before the Securities and Exchange Commission (the "SEC") and am not prohibited from practicing before it.

Facts and Assumptions

In connection with rendering this opinion, I have investigated such matters and examined such corporate records and other documents and such questions of law, as I deemed necessary. In examining the documents, I have assumed the genuineness of signatures (both manual and conformed), the authenticity of documents submitted as originals, the conformity with originals of all documents furnished as copies and the correctness of facts set forth in such documents. Nothing came to my attention during the course of my investigation that led me to conclude that any such documents were not genuine or authentic or that the facts set forth therein were not true. Any opinion expressed herein relates only to the Issuer and its securities. This opinion should not be relied upon by any other person in connection with any other transaction.
