Re: Hop-on, Inc. (the "Issuer")

Ladies and Gentlemen:

The purpose of this letter is to provide information to the OTC Markets Group Inc. ("OTC Markets Group") upon which the OTC Markets Group may rely in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933, as amended (the "Securities Act").

Olshan Frome Wolosky LLP has served as the Issuer's special securities counsel since December 4, 2017.

In delivering this letter to the OTC Markets Group, we have examined such corporate records and other documents that we considered necessary or appropriate to provide this letter to the OTC Markets Group, including:

- i. The Issuer's Amended and Restated Articles of Incorporation, as amended, filed with the Secretary of State of the State of Nevada, and By-laws, as amended, and other corporate records and documentation.
- ii. The Issuer's (a) Annual Report – Annual Company Information and Disclosure Report 2020 Updated, together with Annual Report – Hop-On Annual Report for 2020 Updated (containing the financial statements of the Issuer) for the 12 months ended December 31, 2020, as posted on the OTC Disclosure and News Service on January 30, 2021, and (b) Annual Report – Annual Company Information and Disclosure Report 2019, together with Annual Report – Hop-On Annual Report for 2019 (containing the financial statements of the Issuer) for the 12 months ended December 31, 2019, as posted on the OTC Disclosure and News Service on July 12, 2020 (the "Information"). The financial statements contained in the Information are unaudited, but have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). Accordingly, they do not include all information and footnotes required by GAAP for complete financial statements. These financial statements have been prepared by Neal Newgard, an independent contractor. Mr. Newgard has prepared the Issuer's financial reports since 2006. Mr. Newgard earned a BBA degree in accounting from the University of North Dakota, and an MBA from University of Phoenix.

Please note that, while we can advise the OTC Markets Group as to who prepared the financial statements, we express no opinion with respect to the financial statements, financial schedules, statistical data or other financial information contained therein.

Moreover, we have reviewed such questions of law, if any, as we deemed necessary to provide this letter to the OTC Markets Group. We have relied upon information of fact obtained from public officials, an officer of the Issuer and other sources. Such reliance includes a certificate provided to us by Peter Michaels, the Issuer's Chief Executive Officer, President and sole Director. We believe all such sources and the information contained therein to be reliable.

Attorneys of our firm have (i) met with management of the Issuer (Mr. Michaels), both in person and through Zoom meetings, (ii) reviewed the Information published by the Issuer through the OTC Disclosure and News Service, and (iii) discussed the Information with the Issuer's management and sole Director.

At present, "adequate public information" is available concerning the securities, as that term has been defined in Rule 144(c)(2) under the Securities Act and this information has been posted on the OTC Disclosure and News Service. The Information includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the securities pursuant to Rule 15c2-11 under the Securities Exchange Act and complies as to form with the OTC Markets Group's Guidelines for Providing Adequate Current Information, which is located on the Internet at www.otcmarkets.com, and has been posted through the OTC Disclosure and News Service.

The Issuer's transfer agent is Standard Registrar & Transfer Agency, Inc., 1862 Tramway Terrace Loop NE, Albuquerque NM 87122, Telephone: (505) 440-2728, Attn.: Ms. Mary C. Fernandez, President.

As of February 16, 2021, there were 7,480,000,000 authorized shares of common stock, par value \$0.0001 per share, of the Issuer, of which 7,476,872,395 shares were outstanding. The common stock's CUSIP number is 439338 203.

As of February 16, 2021, there were 30,000,000 authorized shares of preferred stock, par value \$0.0001 per share, of the Issuer, of which (i) 5,000,000 shares have been designated as series A preferred stock and were outstanding, (ii) 4,000,000 shares have been designated as series B preferred stock and were outstanding, (i) 10,000,000 shares have been designated as series C preferred stock and were outstanding, and (i) 10,000,000 have been designated as series D preferred stock and were outstanding.

An inquiry to the transfer agent was the source of confirmation of the outstanding number of the Issuer's shares of common stock. A search of the OTC Markets confirmed that Standard Registrar & Transfer Agency is a registered transfer agent. The number of outstanding shares of series A, series B, series C and series D preferred stock was confirmed by discussions with the Issuer's Chief Executive Officer.

The Issuer's fiscal year ends on December 31 of each year.

To the best of our knowledge, information and belief, formed after inquiry of management and the sole Director of the Issuer, none of the Issuer, any 5% holder of the Issuer's securities or the Issuer's counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

The Issuer has stated that it is not a "shell company," as defined in Rule 405 under the Securities Act and Rule 12b-2 under the Securities Exchange Act.
