**INFORMATION STATEMENT
WE ARE NOT ASKING YOU FOR A PROXY
AND YOU ARE NOT REQUESTED TO SEND US A PROXY**

We are furnishing this notice and the accompanying information statement (the "Information Statement") to the holders of record of our securities. BlueFire Equipment Corporation is referred to herein as "we", "our", "us", or the "Company"). We are a Colorado corporation and we are sending this correspondence in connection with the approval of the Corporate Actions described below taken by unanimous written consent of our Board of Directors (the "Board") and written consent of the holder of over 51% of the issued and outstanding shares of Common Stock.

The purpose of this letter is to inform you of the following Corporate Action unanimously approved by our Board of Directors and by an over 51% shareholder vote by consent as required by our bylaws.

Amendment to our Articles of Incorporation to reduce the number of authorized common stock shares from Two Billion (2,000,000,000) to Two-Hundred Fifty Million (250,000,000) (referred to herein as the "Authorized Shares Decrease") and designating the remaining forty-nine million (49,000,000) Shares from the one hundred million (100,000,000) Shares of Authorized Preferred Stock to Series A Preferred Stock, increasing the Series A Preferred Stock from fifty million (50,000,000) Shares to ninety-nine million (99,000,000) Shares (referred to herein as the "Series A Preferred Stock Increase") (both the Authorized Shares Decrease and the Series A Preferred Stock increase collectively be referred to herein as the "Corporate Actions").

The Corporate Actions were taken by Unanimous Written Consent of our Board of Directors and Written Consent of 2 of our shareholders that collectively hold over 51% of our outstanding votes as provided for in our bylaws and by Colorado law. The shareholder consent vote representing over 51% of our outstanding votes is permitted for any action which may be taken at any annual or special meeting of stockholders, that may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, is signed by the holders of over 51% of our outstanding common stock (votes). We are sending this notice to our stockholders to inform them of the Corporate Action.

The Corporate Actions have been duly authorized and approved unanimously by our Board and by the written consent of 2 Consenting Stockholders voting over 51% of our outstanding voting

securities. As such, your vote or consent is not requested or required. The accompanying Information Statement is provided solely for your information and serves as the notice of the Corporate Action. Our bylaws provide that the Corporate Action may be approved without an annual meeting by unanimous written consent of our Board and by at least a 51% voting approval of the Company's stockholders.

The 2 written Shareholder consents that we received constitutes the only stockholder approval required for the Corporate Action and, as a result, no further action by any other stockholder is required to approve the Corporate Action and we have not and will not be soliciting your approval of the Corporate Action.

The elimination of the need for a meeting of stockholders to approve the actions are made possible by our bylaws, which provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the majority of votes may be substituted for such a meeting. In order to eliminate the costs involved in holding a special meeting of our stockholders, our Board of Directors voted to utilize the written consent of 2 holders of over 51% of our voting securities.

I encourage you to read the enclosed Information, which is being provided to all of our shareholders and describes the Corporate Actions in detail.

AUTHORIZATION OF AUTHORIZED SHARE DECREASE AND SERIES A PREFERRED STOCK INCREASE

Purposes of the Authorized Share Decrease

The Board of Directors believes that we will need fewer authorized shares of Common Stock to meet our projected capital stock needs for capital-raising transactions, issuance of equity-based compensation and, to the extent opportunities may arise in the future, strategic transactions that may involve our issuance of stock-based consideration.

In the event that we need to increase our authorized shares of Common Stock in the future, we may, subject to Board and stockholder approval, seek to amend the Amended and Restated Certificate of Incorporation, as amended, to increase the number of authorized shares of common stock. The Board of Directors believes that the Authorized Share Decrease will appropriately balance the needs for available shares for capital raising, strategic transactions, and equity incentive awards with the desire to avoid having an unreasonably high number of authorized shares.. The Board of Directors believes that the number of remaining available shares is appropriate to provide for our long-term needs and is in line with most similarly situated companies.

Purposes of the Series A Preferred Stock Increase

The Board of Directors believes that we will need additional Series A Preferred Stock to acquire additional operating assets and to the extent opportunities may arise in the future, strategic transactions that may involve our issuance of Series A Preferred stock-based consideration.

The Authorized Share Decrease and Series A Preferred Stock Increase become effective on November 7, 2023 as evidenced by the filing of the Certificate of Amendment with the Secretary of State of the State of Colorado.

THIS IS NOT A NOTICE OF A SPECIAL MEETING OF STOCKHOLDERS AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED HEREIN.

BUSINESS HISTORY

From 2015 to 2021, BlueFire Equipment, Corp. (the “Company”) designed, manufactured and sold its own branded line of fashion and fashion accessories under the label 'Pusher's Collective'. Through the end of 2018, the Company operated a retail store located at 487 Ouelette Avenue, Windsor, Ontario, Canada, where it sold its products, in addition to its online website. At the end of 2018, the retail store was transferred to other owners in return for an assumption of debt, the store location moved to 133 Euclid Avenue, Atlanta, Georgia and the Company removed Pusher's Collective assets, liabilities and operations from its financial statements.

The Company was originally incorporated under the laws of Delaware on June 10, 2008 with an authorized share capital of 50,000,000 shares of common stock. On June 18, 2013, the Company conducted a forward split of 2 for 1 shares of common stock, increasing the authorized share capital to 100,000,000 shares of common stock. On March 27, 2015, the Company increased its authorized share capital to 2,100,000,000 shares, consisting of 2,000,000,000 shares of common stock and 100,000,000 shares of preferred stock. In 2015, the Company issued 1,000,000 shares of preferred stock Series B to Watfa Chedid, the owner of 100% of the outstanding Series B shares issued and, therefore, the control person for the Company. Also in 2015, the 18,000,000 shares of Common Stock were to be transferred to Ali Ahmed from Dome Capital through a stock Purchase Agreement, but never were. Mr. Ahmed was also appointed CEO, CFO and a Director of the Company up to 2022. In September 2021, the Company negotiated the settlement of all outstanding loan notes. On August 27, 2022, the Company completed the acquisition of Miracle Life Farm LLC, a Florida limited liability company specializing in growing and delivering healthy food to consumers. As part of this transaction, the holder of the Preferred Stock Series B transferred 810,000 shares of Preferred Stock Series B to the owner of Miracle Life Farm LLC. As the holder of the Preferred Stock Series B is effectively in control of the Company, there was, therefore, a change of ownership effected on August 27, 2022, with Candy Patel becoming the new majority owner of the Company.

On April 4, 2023, the Company entered into a Business Combination Agreement (the 'Agreement') with Sun Industrial Group Holdings, LLC, whereby the Company will deliver 50,000,000 shares of Preferred Stock Series A and 900,000 shares of Preferred Stock Series B to the members (the 'Members') of Sun Industrial Group Holdings, LLC (the 'Target') in return for 100% of the membership interests in the Target, which will become a 100%-owned subsidiary of the Company.

On April 4, 2023, the Company entered into an Unwinding Agreement (the 'Unwinding Agreement') with Miracle Life Farms to terminate and unwind the acquisition transaction from August 2022 with immediate effect. The unwinding will be treated as a disposal of Miracle Life Farms LLC on April 5, with the 1,000,000 shares of Preferred Stock Series B returned to the Company.

On June 22, 2023, the Company entered into an Unwinding Agreement (the 'Unwinding Agreement') with Sun Industrial Group Holdings, LLC to terminate and unwind the acquisition

transaction from April 4, 2023 with immediate effect. The unwinding will be treated as a disposal of Sun Industrial Group Holdings, LLC, with the 900,000 shares of Preferred Stock Series B and the 50,000,000 share of Preferred Stock Series A returned to the Company. On September 27, 2023, the Company entered into a Business Combination Agreement (the 'Agreement') with Screaming Eagle BNR JV, LLC, whereby the Company will deliver 90% (or 900,000) of the 1,000,000 authorized shares of Preferred Stock Series A and 90% (or 900,000) of the 1,000,000 authorized shares of Preferred Stock Series B to the members (the 'Members') of Screaming Eagle BNR JV, LLC (the 'Target') in return for 100% of the membership interests in the Target, which will become a 100%-owned subsidiary of the Company. The Target acquired 100% of the operated assets at Bedias Creek and 50% non-operated Gin Creek South's assets from ETX in February 2022 with an effective date of January 1, 2022, for \$6,400,000 using family funds to finance the all-cash acquisition. Bedias Creek consists of 19 wells on 10,000 acres producing 1,500 bbls / month of oil and 7,900 MCF / month of gas. Gin Creek consists of 50% non-operated working interest in 45 wells producing 5,300 bbls / month and 14,250 MCF / month in natural gas. Immediately subsequent to the transaction closing, the Board of Directors met to elect a Chairman and add new members of the Board, as specified in the agreement.
