CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This disclosure statement contains certain forward-looking statements that are subject to various risks and uncertainties. Forward-looking statements are generally identifiable by use of forward-looking terminology such as “may,” “will,” “should,” “potential,” “an,” “intend,” “expect,” “outlook,” “seek,” “anticipate,” “estimate,” “approximately,” “believe,” “could,” “project,” “predict,” or other similar words or expressions. Forward-looking statements are based on certain assumptions, discuss future expectations, describe future plans and strategies, or state other forward-looking information. Our ability to predict future events, actions, plans or strategies is inherently uncertain. Although we believe that the expectations reflected in our forward-looking statements are based on reasonable assumptions, actual outcomes could differ materially from those set forth or anticipated in our forward-looking statements. Readers are cautioned not to place undue reliance on any of these forward-looking statements, which reflect our views as of the date of this disclosure statement. Furthermore, except as required by law, we are under no duty to, and do not intend to, update any of our forward-looking statements after the date of this disclosure statement, whether as a result of new information, future events or otherwise.
